

Addo and Eastern Cape Safari Planning

An orientation to Gqeberha, Addo's principal access areas, the Garden Route connection and wider Eastern Cape safari context.

Map key

- City gateway
- Official park entrance
- Broad safari region
- Road relationship

Planning limits

Use the linked official Addo visitor map for current operational detail.

Private-reserve context is broad; no lodge locations or ownership boundaries are shown.

This is a planning map, not live navigation.

Confirm current gates, road conditions, closures, activities and access rules with the responsible authority.

Distances and travel times are approximate; allow additional time for wildlife stops.

Wildlife sightings are not shown or guaranteed. Sensitive conservation locations are excluded.

Manually checked: 18 July 2026. Operational details checked against the responsible official authority.
