

Cape Town and Safari Combinations

A national route map showing practical domestic-flight and road combinations between Cape Town and major safari gateways.

Map key

- City gateway
- Safari airport
- Safari destination
- Domestic flight relationship

Planning limits

No airline schedule, fare or direct service is implied; verify current flight and transfer options.

This is a planning map, not live navigation.

Confirm current gates, road conditions, closures, activities and access rules with the responsible authority.

Distances and travel times are approximate; allow additional time for wildlife stops.

Wildlife sightings are not shown or guaranteed. Sensitive conservation locations are excluded.

Manually checked: 18 July 2026. Operational details checked against the responsible official authority.
