

Kruger Gates, Camps and Gateway Airports

A north-to-south orientation showing Kruger's nine public entrance gates, principal rest camps and main gateway airports.

Map key

- Public entrance gate
- Principal rest camp
- Gateway airport
- Schematic park spine

Planning limits

This is a planning map, not live navigation or an official road map.

Confirm current gates, road conditions, closures, activities and access rules with the responsible authority.

Distances and travel times are approximate; allow additional time for wildlife stops.

Wildlife sightings are not shown or guaranteed. Sensitive conservation locations are excluded.

Manually checked: 18 July 2026. Operational details checked against the responsible official authority.
