

KwaZulu-Natal Safari and Wetland Route

A north-coast orientation linking Durban and Richards Bay with St Lucia, Hluhluwe iMfolozi and iSimangaliso destinations.

Map key

- City gateway
- Protected-area context
- Wetland or coastal destination
- Broad road relationship

Planning limits

Protected-area shapes are schematic and do not represent legal boundaries.

Use current iSimangaliso and Ezemvelo maps for gates, permits, roads and access rules.

This is a planning map, not live navigation.

Confirm current gates, road conditions, closures, activities and access rules with the responsible authority.

Distances and travel times are approximate; allow additional time for wildlife stops.

Wildlife sightings are not shown or guaranteed. Sensitive conservation locations are excluded.

Manually checked: 18 July 2026. Operational details checked against the responsible official authority.
