

South Africa Safari Regions and Gateways

A national orientation map connecting the main arrival cities with South Africa's major safari regions.

Map key

- Arrival city
- Gateway airport
- Safari region
- Major travel relationship

Planning limits

This is a planning map, not live navigation.
Confirm current gates, road conditions, closures, activities and access rules with the responsible authority.
Distances and travel times are approximate; allow additional time for wildlife stops.
Wildlife sightings are not shown or guaranteed. Sensitive conservation locations are excluded.

Manually checked: 18 July 2026. Operational details checked against the responsible official authority.
